

LMS setup & support packs

We offer four levels of LMS build & support packs: Basic, Standard, Pro & Industry. All packages are designed around platforms that utilise most broad-spectrum learning management systems.

If you have multiple institutions or require other options we can tailor packages for individual clients, get in touch to discuss your requirements and read more below on the details of what we offer.

BASIC	STANDARD	PRO	INDUSTRY
Starting at*: €200 Setup cost	Starting at*: €400 Custom solution Setup cost + €10 Per Month /instructor	Starting at*: €600 Custom solution Setup cost + €20 Per Month /instructor	Starting at*: €1,500 Custom solution Setup cost + €50 Per Month /instructor
